Good afternoon Christopher,

It was a pleasure speaking with you today.

After our discussion on 1432 Oak Street - Pico Union, it was determined that outreach can continue at this location. Please have your outreach workers be mindful, just like at any other location that appropriate safety protocols should always be followed. Do not approach the encampment if you feel your safety is being compromised.

If any outreach team feels unsafe approaching an encampment, please feel free to reach out to Sgt. Siguenas or myself, so that we can arrange a date to provide support/protection for your team.

Please feel free to contact me if you have any questions.

Thank you,

Subject: Re: Important: Concerning LA-HOP

Good afternoon,

We will add this location to our list for next week. We actually responded to this site on Monday after the shooting, but did not observe any weapons. We did not clear the encampment because we did not want to scare away any possible witnesses. I will contact Rampart Homicide and see how they would like us to proceed and keep you updated.

Subject: Important: Concerning LA-HOP

Hi all,

I thought it would be pertinent to include everyone here in an email regarding LA-HOP request #6489 in the Pico Union area at 1432 Oak Street.

The request from 211LA noted a previous shooting at the site.

Judith and I arrived this morning to respond to the request and found a multitude of concerns. Needles were very abundant at the site, we had an individual watching us while we were there, weapons were visible along tents, and some younger individuals ran away when both outreach workers approached.

Best,

Patrick Mooney
